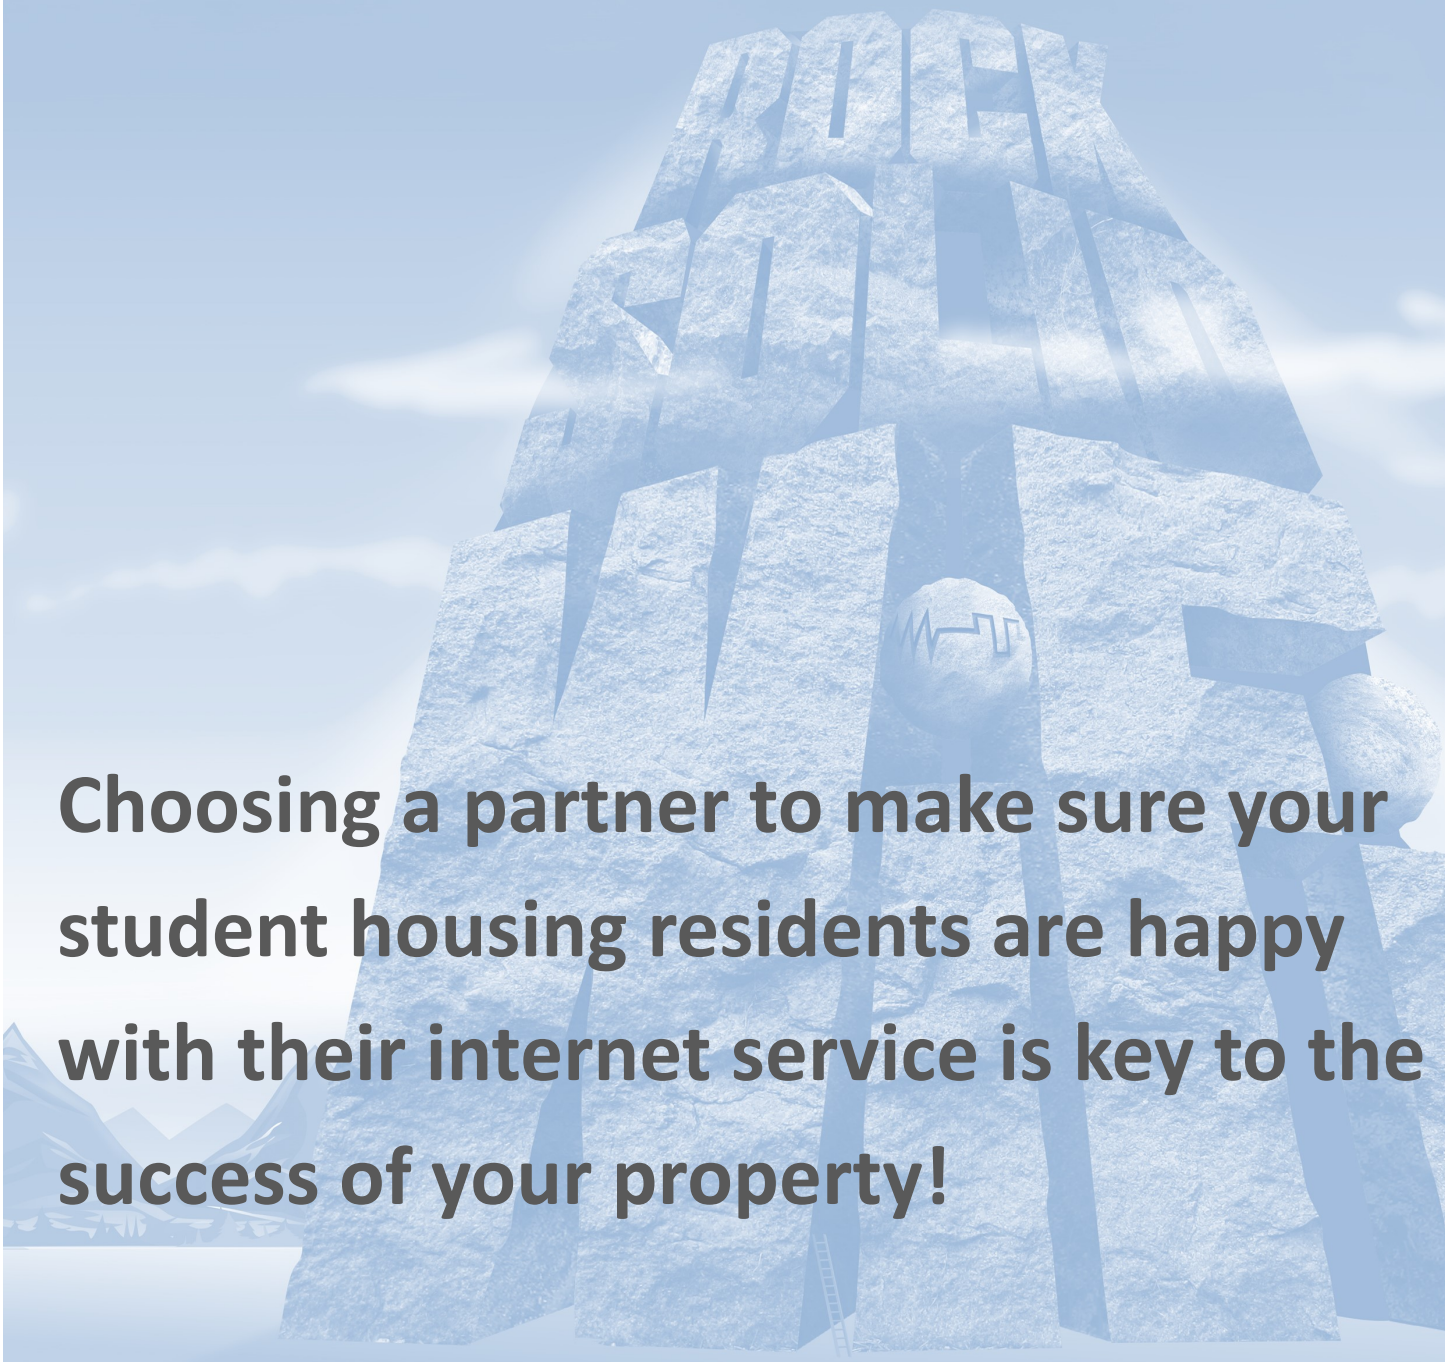
WHY SHOULD YOU CHOOSE CAMPUS TECHNOLOGIES INC

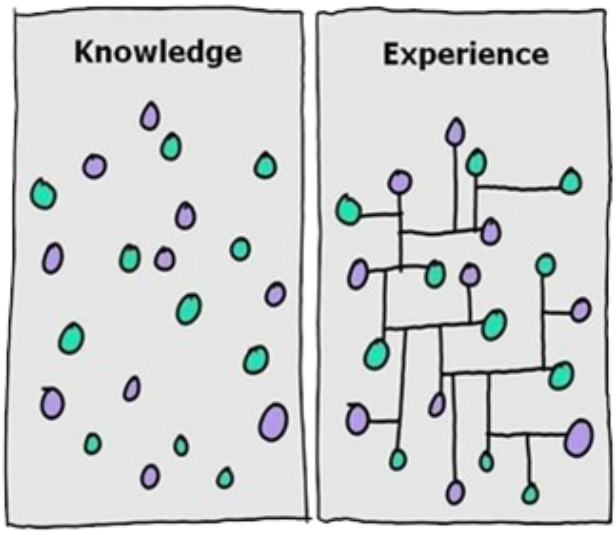


Choosing a partner to make sure your student housing residents are happy with their internet service is key to the success of your property!

CAMPUS
TECHNOLOGIES INC

THIS ISN'T OUR FIRST RODEO.

We've been in business providing technology services to student housing since 2001.



WE ONLY DO ONE THING AND WE DO IT WELL.

We only work with student housing communities, both on and off campus, so we understand the unique aspects of this class of real estate and its resi-

YOU CAN SEE RIGHT THROUGH US.

We operate a transparent business model. You can see exactly what you get and what you pay for it.

No surprises and no 'mystery meat' contracts.

WE DON'T LOCK YOU IN.

With CTI managing your student housing property's internet delivery, you won't be locked into a multi- year contract for no good reason.

CAMPUS
TECHNOLOGIES INC

WE'RE HERE FOR YOU!

All our staff are based in the USA and are employed directly by us. All they do is service Student Housing networks.

INDEPENDENCE IS A WONDERFUL THING.

We're not tied to any bandwidth vendor, cable company or hardware manufacturer so you get the right technology at the right price.
